Gradually, year 2022 is winding up as we enter the 'ember' months. Events would start propping in as many corporate organizations including ministries and churches are working towards ending the year well. It's normal for every 'ember' month which usually looks as if the time is fast tracked.

Looking at this year, it has been a wonderful year, two years after the much publicized twin year '2020'. Corporate organizations and ministries are recovering faster. A major Christian denomination just formally reopened her worship centres globally. Indeed 2022 is a year for strong Christians who ended up being King Makers.

With churches and ministries celebrating their conventions, the month of August has always been the busiest conventional months in the history of the church in Nigeria. Why? There is always a long vacation for students coupled with the long strike of university lecturers which contributed to the huge turnout of crowd most especially young Christians in those conventions.

*PlusDigest*, takes a look at The Role of Theological Education in Building a Godly Society, being lecture delivered by Bishop (Prof) Adewale Solarin during the maiden convocation ceremony of Chosen Life Christian University in Abeokuta, Ogun State, Nigeria.

We believe that this edition would educate you and help you make better decisions on how to end this year well.

Wishing you successful year ending in Jesus name. .

# The Role of Theological Education in Building a Godly Society

By Bishop (Prof.) Adewale Solarin

(former CEO, National Mathematical Centre, Abuja)

## WHAT IS THEOLOGICAL EDUCATION?

Theological Education is the training of men and women to know and serve God. It is Christian education. In other words, theological education "is that education which is Bible Based, Christ-centered, Holy Spirit controlled, pupil related, socially applied with the Scriptures being the authority in all things (Ban, 1988).

## WHAT IS GODLY SOCIETY:

Godly society comprising of Godly homes, where children are trained in the way they should go. It is a society where children are allowed to be taught by God Himself! - Is. 54:13 - "And all thy children shall be taught of the Lord; and great shall be the peace of thy children."

## WHAT IS THE CHRISTIAN CURRICULUM?

A Christian Curriculum is found in the book of Matthew 28:18-20 - "And Jesus came and spoke to them, saying, All authority has been given to Me in heaven and on earth. Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age." (NKJV). Matthew 6:9-13: After this manner therefore pray ye: Our Father which art in heaven, Hallowed thy name. Thy kingdom come, Thy will be done in earth, as it is in heaven. Give us this day our daily bread. And forgive us our debts, as we forgive our debtors. And lead us not into temptation, but deliver us from evil: For thine is the kingdom, and the power, and the glory, for ever.

### Mathematics of Discipleship:

- ▶  $D(20) = 2^{21} - 1 = 2097151$
- ▶  $T(20) = 2^{22} - 20 = 4,194,284$
- ▶  $T(20) \times 12$  Type equation here.
- ▶  $= 50,331,408$

## MATHEMATICS OF DISCIPLESHIP: -

2 Timothy 2 - Thou therefore, my son, be strong in the grace that is in Christ Jesus. And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also. Thou therefore endure hardness, as a good soldier of Jesus Christ.

## HOW DO WE FIX A BROKEN SOCIETY?

It will not come through government policy but with the people's change of heart. In the Ten Commandments, we are taught about one's relationship with God and with others and also the type of character which one ought to have. The framework for a godly and righteous society does not start with government. In fact, if all people would follow these commands, government would be unnecessary.

Notice what Paul wrote: "For this, 'You shall not commit adultery, you shall not murder, you shall not steal, you shall not covet,' and if there is any other commandment, it is summed up in this saying, 'You shall love your neighbor as yourself. Love does no wrong to a neighbor; therefore love is the fulfillment of the law" (Romans 13:9-10). The apostle told the saints in Rome, "For there is no authority except from God" (Romans 13:1). Government or no government, we are accountable to the Lord. We must begin to make Disciples of Jesus Christ, not disciples of ministries, denomination etc.

In conclusion, the actual role of Theological Education in Building Godly Society is winning more souls into God's kingdom through rigorous evangelism and discipleship.

## BAPEP INT'L NETWORK

Bishops, Apostles, Pastors, Evangelists and Prophets International Network shortened as BAPEP Int'l Network is a protestant-minister fellowship to foster deeper relationship among like minded church leaders regardless of the denominational differences. According to Jesus Christ's prayer for his disciples – "That they all may be one: – John 17:21. It is the intent of the Founder of the Global Church for all denominational churches to be united in love towards

strengthening God's kingdom and depopulating the kingdom of darkness. Apostle Paul threw more light in Ephesians 4:13 – "until we all reach unity in the faith and in the knowledge of the Son of God, as we mature to the full measure of the stature of Christ". It has become imperative for 21st century churches and ministries to look for a Forum to come together regardless their denominational differences and speak with one voice to agree on terms and make

their stand on matters bordering Global Church and Christianity and make their point very clear to Gospel's sworn enemy or archenemy.

As part of her contribution to raising and grooming Christian leaders, BAPEP Int'l Network just launched Free online Christian higher institution called BAPEP Ministerial and Leadership Institute which offers varieties of certificates and diplomas.

### I'M PRESSING ON THE UPWARD WAY

I'm pressing on the upward way,  
New heights I'm gaining every day;  
Still praying as I onward bound,  
"Lord, plant my feet on higher ground."  
Lord, lift me up, and let me stand  
By faith on Canaan's tableland;  
A higher plane than I have found,  
Lord, plant my feet on higher ground.

My heart has no desire to stay  
Where doubts arise and fears dismay;  
Though some may dwell where these  
abound,  
My prayer, my aim, is higher ground.

I want to live above the world,  
Though Satan's darts at me are hurled;  
For faith has caught the joyful sound,  
The song of saints on higher ground.

I want to scale the utmost height  
And catch a gleam of glory bright;  
But still I'll pray till rest I've found,  
"Lord, lead me on to higher ground."

### ROCK OF AGES, CLEFT FOR ME

Rock of Ages, cleft for me,  
Let me hide myself in Thee;  
Let the water and the blood,  
From Thy riven side which flowed,  
Be of sin the double cure,  
Save me from its guilt and power.

Not the labor of my hands  
Can fulfill Thy law's demands;  
Could my zeal no respite know,  
Could my tears forever flow,  
All could never sin erase,  
Thou must save, and save by grace.

Nothing in my hands I bring,  
Simply to Thy cross I cling;  
Naked, come to Thee for dress,  
Helpless, look to Thee for grace:  
Foul, I to the fountain fly,  
Wash me, Savior, or I die.

While I draw this fleeting breath,  
When mine eyes shall close in death,  
When I soar to worlds unknown,  
See Thee on Thy judgment throne,  
Rock of Ages, cleft for me,

## 5 REASONS WHY YOUR CHURCH NEEDS A WEBSITE

While about 96% of pastors use computers at church and many use technologies during their sermons, not that many actually have a church website. This can prove problematic since millions of church-goers and prospective church-goers search the Internet and their own place of worship's website each day (Capterra). If your church or ministry doesn't have a website, here's why you'll want to consider building one before the end of this year.

**1. A WEBSITE KEEPS YOUR CONGREGATION ENGAGED AND ACTIVE:** According to research, over 60% of church-goers say that a church's website is important in facilitating their participation at church (CRCNA.org). A website allows them to explore serving opportunities at church, connect with their congregation and community, forward helpful information to others, and more. If you include valuable information such as community bulletins, event calendars, volunteer sign-up forms, blog posts, podcasts, recorded sermons, social media links, etc. on your church's website, you provide great opportunities for members of your congregation to stay well-informed and active in what is happening at your church.

**2. A WEBSITE CAN EXTEND A SECURE WAY TO RECEIVE DIGITAL DONATIONS AND CONTRIBUTIONS:** 49% of all church giving transactions are completed with a card nowadays and 60% of church-goers are willing to donate their tithing digitally (Nonprofit Source). With a church website, you can allow others to donate when it's convenient for them online. You can include a secure portal that collects payments digitally on your website.

**3. A WEBSITE INTRODUCES THE PUBLIC TO YOUR LEADERSHIP AND PROGRAMS:** On your church's website, you can create a page that includes bios of your pastors and other staff. This way, the public will know their backgrounds and what they're passionate about before stepping foot in your church. They'll also have access to detailed information about your church services and programs. Having such information available online will make prospective congregation members feel much more comfortable visiting your church in person.

## GLOBAL ACCREDITING NETWORK (GAN)

"Accreditation" is review of the quality of higher education institutions and programs. In the world, accreditation is a major way that students, families, government officials, and the press know that an institution or program provides a quality education. Accreditation by Global Accrediting Network (GAN) covers both campus and distance education activities within an institution and it provides accreditation from the secondary school level through professional doctoral degree-granting institutions

### WHO NEEDS ACCREDITATION?

SEMINARIES  
BIBLE COLLEGES  
VOCATIONAL INSTITUTES  
CHRISTIAN UNIVERSITIES

For more information, please contact us

Email: globalaccreditingnetwork@gmail.com

Website: www.globalaccreditingnetwork.com

**4. A WEBSITE CAN WELCOME OUTSIDERS TO YOUR CONGREGATION AND MINISTRY:** You can use your church's website as a space to extend an open invitation to prospective members and those who are seeking spiritual guidance. Consider designing a home page that is positive and extends open arms and portrays a message of community and hope. A lot of prospective worshipers may be timid or unsure about attending church simply because they haven't been to one before and are afraid of being rejected or being perceived as an outcast. Use your website to put them at ease and express your desire to have them visit your establishment.

**5. A WEBSITE CAN INCREASE INVOLVEMENT IN BIBLE STUDY, READING, AND PRAYER GROUPS:** When more church members know when a Bible study is being held, they're more likely to sign up for it and show up for it. And, if your congregation can access a member directory via your website, you'll likely see more active prayer groups and more support from the overall congregation. Additionally, you can share handouts and information from different groups on your website, so that others can access it and become involved. Overall, with an online presence, you'll see more engagement from your groups and be able to build an active platform where your community members can really get involved and support one another.

After considering all the benefits that website can bring to your congregation and church listed above, you won't want to delay building the ideal website any longer or renewing the one already built professionally. BAPEP Int'l Network has partnered with Digital Initiative for African Ministries (DIFAM). With DIFAM you can build a professional website at a very minimal amount of money with easy payment plan.
